

Schoolhouse Arts Center

Invites you to Join Us in 2017 for a very special sponsorship opportunity

Schoolhouse Arts Center is a non-profit community theater and arts education program, dedicated to bringing the community a fun, creative, educational, and supportive arts environment where people can grow, develop skills, and be involved in the arts. We would like to invite you and your business to become a part of our mission by sponsoring a production during our 2017 Season. Your support of the arts and arts education will help us to continue the mission that was started at Schoolhouse over 25 years ago, and send a message to your employees and customers that you care about the arts too.
